EX PARTE QUAYLE ACTION

Status of the Claims

Claims 1-5 are allowed.

Claim 6 is objected to on formal grounds.

Objections based on Formality

This application is in condition for allowance except for the following formal matters:

Claim 6 objected to under 37 CFR 1.75 as being a substantial duplicate of claim 1. When two claims in an application are duplicates or else are so close in content that they both cover the same thing, despite a slight difference in wording, it is proper after allowing one claim to object to the other as being a substantial duplicate of the allowed claim. See MPEP § 706.03(k).

Claims 6 contains a spelling error. Applicant's recited "text" should be "test". This typographical was not present in prior versions of the claim, nor was the error transferred to claim 1 when the matter of claim 6 was incorporated therein.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
